COR. MAIN AND FIFTH, CINCINNATI OHIO. DENNISON & SON, PROPRIETORS. Cincinnati Advertisements.

BACON'S Mercantile College. North-West Corner Sixth and Walnut streets, Cincinnati, Ohio.

THE undersigned has removed his mercantile College to his new building. North-west corner of Walnut and 6th sts. where he has fitted up a Splendid Suit of Hooms, expressly for his business—having spared neither pains or expense in making them in every respect the most converien and pleasent School Rooms in the United States.

The plan adopted in teaching combines practic with theory; instead of using books, the pupils are exercised in making original entries of every dabusiness transactions. Journalizing, posting, balancing accounts, opening and closing of a great viriety of lifterent sets of books, both for partnershi and individual business, where the business his been prosperous and adverse; and thus qualifying the student for entering into the practical dutiof the accountant in any kind of business.

The course of instruction will consist of double entry book. Keeping, embracing every department of trade and Mercantile Accounts, viz. Wholesa Retail. Commission. Exchange. Bankin Retail, Commission, Exchange, Banking

Parnership, Steamboating, and Compound

Co. Business, Commercial calculations.

Practical Penmanship, and Lectures on

Commercial Law, also Lectures on the

Science of Accounts, Custom of Merchants

In addition to the regular course of study, the undersigned has made arrangements with Henry Snew, Esq., Hon. Belamy Storer, Prof. C. W. Wright, and other eminent Lecturers, to deliver a course of Lectures on the subjects of Commercial Law, History of Commerce, Political Economy, as connected with Commerce, and other subjects of great importance into commercial point of view, and never before introduced to any Mercantile College in the United States.

Pupils are instructed individually, and not in classes, so that students may enter at any time and proceed in the ratio of their capacity and assiduity.

Public examinations are had, (though pupils are examined privately if they desire it.) when the student undergoes rigid and thorough interragations by the principal, (assisted by a Committee of Practical Accountants and business men.) and Diplomacawarded to those who are deemed worthy of them. A course can be completed in from eix to ten

The principal will take bleasure in doing every thing in his power to advance his students, and make them thorough and accomplished accountants and his extensive acquaintance with the business community will generally enable him to procure situations for those desirous of obtaining them. 

Nov. 11. 1853, 47-1yr. Gundry's Commercial Writing THE undersigned is prepared to furnish the Western market with a superior Writing Fluid —his own invention—and which in color, durability, and fluid ity is warranted to be unsurpassed.

Instrict of Penn attaning Another Scientific Wonder!

GREAT OURE FOR DYSPEPSIA DR. J. S. HOUGHTON'S

THE TRUE DIGESTIVE FLUID OR, GASTRIC JUNCE.

Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chomist, by J. S. HOUGHTON, M. D., Philadelphia, Pa.

This is NATURE'S OWN REMEDY for an unhealthy Stomach. No art of man can equal its curative powers. Iteontains no ALCOHOL, BITTERS, ACIDS, or NAUSEOUS DRUGS. It is extremely agreeable to the taste, and may be taken by the most faeble patient who cannot cat a water crackor without acute distress. Beware of DRUGGED IMITATIONS. Pepsin is NOT A DRUG.

Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of SCIENTIFIC EVIDENCE, from Liebig's Animal Chemistry, Dr. Combe's Pysiology of Digestion; &c.

M. W. Halle, Bacoxvilor, wholesale and retail Agent.
